Description

On the occasion of the China-Greece cross-cultural celebratory year, the Federation of Industries of Northern Greece (FING), in collaboration with the Chamber of Commerce of Kavala (KCC), is organizing an incoming company mission during the 82st Thessaloniki International Fair (TIF), held on 9-17 September 2017, within the Helexpo Exhibition Centre. TIF is the largest Mediterranean multisectoral exhibition of its kind, with nearly a century of history.

This year's event sends out a message of growth and optimism. On these two axes, the 82nd TIF aims to become a celebration of entrepreneurship, internationalization, innovation and entertainment from 9 September to 17 September. The honored country this year is China, which will participate dynamically with its businesses, as new roads are being opened to tighten the economic-business ties between Greece and China.

While TIF overall is a multisectoral event, the particular sector which is relevant to this delegation is the Tourism and Cultural Heritage.

Overall it is expected that a total of 25 companies will attend the event from the prefecture of Kavala.
